Westbound Lanes along State Road (SR) 826/Sunny Isles Boulevard Over Intracoastal Highway Bridge Currently Closed

MIAMI, Fla. – All westbound lanes along the SR 826/Sunny Isles Boulevard/NE 163 Street over the Intracoastal Highway bridge are currently closed due to repairs. Motorists traveling westbound will be detoured through the Business Loop. The bridge is only open for pedestrians. The eastbound lanes along the bridge remain open. Please use alternate routes.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Melissa J. Rodriguez at 1 (305) 570-8076 or go to the website at www.fdotmiamidade.com. Drivers are encouraged to log on www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicles crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
