

FACT SHEET

State Road (SR) 5/Overseas Highway

Channel 5 Bridge (#900098)

FIN #: 436523-1-52-01

OVERVIEW

The Florida Department of Transportation (FDOT) has begun a bridge rehabilitation project along SR 5/Overseas Highway over the Channel 5 Bridge (#900098), in Monroe County.

WORK TO BE PERFORMED

- Repairing columns underneath the bridge
- Replacing bridge bearing pads and repairing surrounding concrete

PROJECT SCHEDULE

March 2021 — summer 2026

AFFECTED MUNICIPALITY

Monroe County
City of Layton

ESTIMATED CONSTRUCTION COST

\$13.5 million

LANE AND SHOULDER CLOSURE INFORMATION

Lane closures shall occur only during non-peak hours on non-event days/nights/weekends. Non-peak hours are:

- 8 p.m. to 6 a.m., Sunday through Thursday

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking through any construction zone. Wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. The Department takes steps to reduce construction effects, however you might experience the following around the work site:

- Travel lane closures
- Increased dust and noise
- Workers and equipment moving around the area
- Allow extra time to reach your destination
- Obey all posted signs and speed limits

Please note that this schedule could change due to weather or other unexpected conditions.
