

CONSTRUCTION PROJECT FACT SHEET

FLORIDA DEPARTMENT OF TRANSPORTATION

State Road (SR) 953/LeJeune Road/SW-NW 42 Avenue
From North of SW 8 Street to South of NW 11 Street Roadway Project
Project Identification Number: 447809-1-52-01

FDOT COMPASS

FDOT is committed to ensuring the State's infrastructure serves residents, businesses, and visitors to meet their current and future transportation needs. Benefits of this project include:

COMMUNITIES

- Constructing a new median opening in the northbound direction of SW 3 Street to increase spacing with the median opening at SW 2 Street
- Relocating the existing driveway at the southwest corner of NW 3 Street to allow for a new crosswalk at the south leg of the intersection
- Relocating palm trees located on the median between SW 6 Street and SW 2 Terrace

SAFETY

- Modifying median access at SW 5 Terrace to a southbound directional opening to allow left-turns and U-turn movements
- Closing the median openings at SW 4 Street and SW 2 Terrace
- Modifying bi-directional median opening at SW 2 Street to a northbound directional median opening
- Increasing capacity of the southbound left-turn at SW 8 Street and W Flagler Street
- Upgrading pedestrian push buttons and signalization

RESILIENCY

- Improving stormwater drainage
- Repairing damaged sidewalks and driveways

SUPPLY CHAIN

- Upgrading signage and pavement markings
- Repaving and restriping the roadway

TECHNOLOGY

- Updating street lighting to light-emitting diode (LED) technology
- Enhancing traffic signals

WORKFORCE DEVELOPMENT

- This project creates opportunities for contractors resulting in positive economic benefits for workers and the community

LANE CLOSURE INFORMATION

Work will be done in phases to reduce the effects of construction on the community. Lanes can be closed during the following hours:

- 9 a.m. to 4 p.m., Monday - Friday
- 8:30 p.m. to 6:30 a.m., Sunday - Thursday nights
- 11 p.m. to 9 a.m., Friday & Saturday nights

Access to businesses and residences will be maintained. Lane closure information will be posted weekly on the department's website, www.southflroads.com.

WHAT TO EXPECT

Work will be done in phases to reduce the effects to the community. Temporary lane closures may affect traffic during non-peak hours. All detours will be established with clear signage. Access to adjacent properties will be maintained.

SCHEDULE

July 2025 - spring 2026

PROJECT COST

\$3.98 Million

PROJECT AREAS

City of Miami
City of Coral Gables

Note: Dates are subject to change.

ALWAYS PUT SAFETY FIRST

For your safety and the safety of others, please use caution when driving, walking or biking around any construction zone. For real-time traffic information, visit: www.fl511.com.
