The workshop will consist of a formal presentation beginning at 6:30 p.m., followed by a question and answer session. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the workshop, a response will be provided in writing afterwards. The presentation will provide an overview of the proposed alternatives for the project, including social and environmental effects. Persons wishing to submit statements, in place of or in addition to oral statements, may do so at the meeting or by sending them to the Community Outreach Specialist, Monica Diaz, at (305) 984-2715 or via email at monica@iscprgroup.com. All statements postmarked on or before October 3, 2026, will become part of the workshop record.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated May 26, 2022 and executed by the Federal Highway Administration (FHWA) and FDOT.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Yulet Fernandez, P.E., at (305) (470) 5219 or in writing to FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at Yulet.Fernandez@dot.state.fl.us at least seven days prior to the meeting.
