STS RIDER'S EASY GUIDE

SPECIAL TRANSPORTATION SERVICES (STS)

A shared-ride public transportation service of Miami-Dade County in compliance with the complimentary paratransit service provisions of the Americans with Disabilities Act (ADA) of 1990.

DRIVE LESS. LIVE MORE.

DEPARTMENT OF TRANSPORTATION AND PUBLIC WORKS

WHO IS ELIGIBLE FOR STS?

- Miami-Dade County residents whose physical or mental disability prevent their use of accessible public transportation.
- Miami-Dade County residents with temporary disabilities that are temporarily eligible for STS during the period of their disability.
- People with disabilities visiting from out-of-town that are presumed eligible under the ADA jurisdiction.

RESERVATION SERVICES

- Trip reservations can be made via phone by contacting the reservation line at (305) 871-1111, Monday - Sunday 8:00 a.m. - 5:00 p.m. (including holidays)
- Trip reservations can also be made online, 24 hours a day, seven days a week, at: stsconnect.miamidade.gov
- Trips can be scheduled up to seven (7) days in advance.
- Required information to make a reservation: Name, identification number, phone number, and address of the pick-up/drop-off location of the rider.

SUBSCRIPTION SERVICE

- Call (305) 871-1111 to request subscription service.
- Subscription requests can be made if you make the same trip(s) at least once per week for more than one month.
- Once scheduled, subscription service is automatic. You DO NOT need to place a daily phone call to schedule a trip.
- Call only to cancel or make changes to the subscription service.

RIDERS' RESPONSIBILITIES

- Remain at the pick-up location for 30 minutes after negotiated pick-up time.
- Call in trip cancellations as soon as possible.
- Present your STS EASY Card to the driver.
- Eating, drinking, and smoking are not allowed inside STS vehicles.
- The use of abusive, threatening, and/or obscene language - or any other inappropriate actions - are prohibited in STS vehicles.

SERVICE ANIMALS

- A service animal is any animal individually trained to provide assistance to an individual with a disability.
- Service animals are permitted by law on any STS vehicle.
- No additional fee or deposit will be charged to transport a service animal.

STS FARE

- STS fare is \$3.50 each way. Companions pay the same fare, Personal Care Attendant (PCA) do not pay a fare, and PCA must be pre-certified by STS Certification Office.
- Riders must have the exact fare and must pay upon entering the vehicle.
- Drivers **DO NOT** provide change.
- Riders may contact service provider at (305) 871-1111 to purchase pre-paid vouchers. The pre-paid vouchers can be used in lieu of the cash and should be handed to the driver upon entering the vehicle.

STS AREAS OF SERVICE

- The STS program service areas match the DTPW transportation system (bus and rail) and includes most urbanized Miami-Dade County areas, but excludes certain locations such as: The Trail Glades Range, Miccosukee Indian Reservation and Fisher Island.

DRIVERS' RESPONSIBILITIES

- Provide assistance in and out of the vehicle.
- Provide minimum assistance for riders capable of transferring from a mobility aid.
- Provide safe, courteous, and reliable service.
- Provide door-to-door service.
- Report all accidents and incidents immediately.

DRIVERS ARE NOT RESPONSIBLE FOR:

- Carrying wheelchairs up/down stairs.
- Providing wheelchairs or PCA service.
- Entering buildings or residences to search for riders.
- Waiting with a rider at a drop-off location.

THE DEPARTMENT OF TRANSPORTATION AND PUBLIC WORKS/STS RESERVES THE RIGHT TO SUSPEND OR CANCEL SERVICE FOR ANY INDIVIDUAL WHO:

- No longer meets the eligibility criteria, has moved outside of Miami-Dade County or is unwilling to cooperate with STS Program procedures.
- Lives in an area that is inaccessible.
- Behaves in a manner that is disruptive, abusive, threatening, or endangers the safety of staff and/or passengers.
- Abuses the program or has excessive no-shows and cancellations.

Dear Sir/Madame:

The Florida Department of Transportation (FDOT) is in the development phase for evaluation of several design alternatives and final location design approval relating to the above project. Facilities owned or maintained by your utility agency/owner (UAO) within the project vicinity may require relocation or adjustment as necessitated by final design selection.

To assist us in selection of the most feasible design alternative while minimizing conflicts with your facilities, preliminary plans are attached. One set should be marked with your principal existing and proposed facilities and returned to this office. Along with the plans, your UAO should also present any general concerns and/or comments that would be useful in the FDOT's evaluation process.

If your facilities are located on right of way owned by you, in an easement acquired for your use or if you have other compensable property interests within the limits of this project, you may be eligible to have your relocation costs reimbursed by the FDOT. If you have any of the above interests, please mark the approximate boundaries of them on the enclosed set of plans and return the same, together with documentation of your interests and a preliminary cost estimate to this office. Include in your transmittal, on UAO letterhead, a statement as to whether or not you will claim reimbursement and on what basis your claim is supported. Note that the information provided at this time will be used only for evaluation of design alternatives and does not constitute a claim.

Please note that failure to respond to this request will result in plans development without identification of your facilities. In order to maintain project schedules, please return the marked-up plans with your transmittal to this office by **September 18, 2018**.

Electronic or PSEE submittals are recommended. You can sign up for PSEE by using the following link: <https://www3.dot.state.fl.us/internetsubscriberaccount/default.aspx>

ADJUSTMENT OF UTILITIES – FLORIDA STATUTES CHAPTER 337.403

RE: Project Description: Project Development & Environment Study
SR-826/Palmetto Expressway from US-1/SR-5/Dixie Highway to

State Road Number: 5, 826, 836

County: Miami-Dade

Dear Sir/Madame:

The Florida Department of Transportation (FDOT) is in the development phase for evaluation of several design alternatives and final location design approval relating to the above project. Facilities owned or maintained by your utility agency/owner (UAO) within the project vicinity may require relocation or adjustment as necessitated by final design selection.

To assist us in selection of the most feasible design alternative while minimizing conflicts with your facilities, preliminary plans are attached. One set should be marked with your principal existing and proposed facilities and returned to this office. Along with the plans, your UAO should also present any general concerns and/or comments that would be useful in the FDOT's evaluation process.

If your facilities are located on right of way owned by you, in an easement acquired for your use or if you have other compensable property interests within the limits of this project, you may be eligible to have your relocation costs reimbursed by the FDOT. If you have any of the above interests, please mark the approximate boundaries of them on the enclosed set of plans and return the same, together with documentation of your interests and a preliminary cost estimate to this office. Include in your transmittal, on UAO letterhead, a statement as to whether or not you will claim reimbursement and on what basis your claim is supported. Note that the information provided at this time will be used only for evaluation of design alternatives and does not constitute a claim.

Please note that failure to respond to this request will result in plans development without identification of your facilities. In order to maintain project schedules, please return the marked-up plans with your transmittal to this office by **September 18, 2018**.

Facilities owned or maintained by our Department along the FDOT referenced project if any should be street lighting and or traffic signals.
Your coordination should be done with Mr. Julio Navarro for Street lighting and Evelin Legcevic for traffic signals. They are copied in this e-mail.
Thanks

Dear Mr. Vidal,

The Florida Department of Transportation (FDOT) is in the development phase for evaluation of several design alternatives and final location design approval relating to the above project. Facilities owned or maintained by your agency within the project vicinity may require relocation or adjustment as necessitated by final design selection.

To assist us in selection of the most feasible design alternative while minimizing conflicts with your facilities, preliminary basemap plans are attached. One set should be marked with your principal existing and proposed facilities and returned to us via email or by mail. Along with the plans, also please present any general concerns and/or comments that would be useful in the FDOT's evaluation process.

If your facilities are located on right of way owned by you, in an easement acquired for your use or if you have other compensable property interests within the limits of this project, you may be eligible to have your relocation costs reimbursed by the FDOT. If you have any of the above interests, please mark the approximate boundaries of them on the enclosed set of plans and return the same, together with documentation of your interests and a preliminary cost estimate to this office. Include in your transmittal, a statement as to whether or not you will claim reimbursement and on what basis your claim is supported. Note that the information provided at this time will be used only for evaluation of design alternatives and does not constitute a claim.

Please note that failure to respond to this request will result in plans development without identification of your facilities. In order to maintain project schedules, please return the marked-up plans with your transmittal to this office **by September 18, 2018.**

Should additional information be required, please contact me at 305.640.7186. Your cooperation in these matters is appreciated.
